

Mutual Value Discovery Workshop for Banking & Financial Services

Quantify impact, align stakeholders, and sequence initiatives—
built for regulatory confidence, faster ROI, and operational agility.

Banking Urgency:

Quantified by Forrester, Resolved by Korcomptenz

Cloud overspend is rampant:

72% blew past budgets

Fraud stakes are soaring:

Cybercrime to hit
\$12T in 2025—
FSI urgency is non-negotiable.

Bad data is expensive:

>25% report **>5M**/year
losses

Spend shifts to value:

80% of FIs
plan higher tech
spend—fraud, digital
banking, analytics top
the list.

One-Day Roadmap to 20% Efficiency

Unlock up to 20% efficiencies—governed, agile, regulator-ready. In one day, our BFS, Cloud, Data & AI experts partner with your leadership to uncover pains, quantify value, and sequence execution. We co-create a plan balancing quick wins and foundational change—you keep the artifacts, metrics, visuals, and a single source of truth.
